

Infocast Cocktail Event

Throughout September, Infocast has been hosting "Cocktail Party" events for investment banks and brokerage clients, held at Infocast's Model Branch in Central.

The response has been enthusiastic, with members of our client firms attending to socialise and share in discussion with us and one another.

L-R: (1) Brian Groen, Cloud Business Executive of IBM China/HK, (2) Cyril Leung.

On 4th September 2014 IBM held a Cloud Innovation Forum at JW Marriott Hotel. The topic was "Is your cloud a rainmaker? - Reconsider how cloud works for you".

Infocast is an inaugural partner of IBM SoftLayer Cloud in Hong Kong, and during the luncheon Cecily Ho, Infocast's President, was invited to present a keynote speech on the business opportunity of Shanghai-Hong Kong Stock Connect and benefits of Infocast's "Shanghai-Hong Kong Stock Connect-as-a-Service", which combines Infocast InvesTrade with the enterprise cloud platform of IBM SoftLayer. The luncheon was attended by senior executives from 50 of the leading banks and financial institutions in Hong Kong.

Apart from the luncheon, Infocast also set up a booth to present the InvesTrade "Shanghai-Hong Kong Stock Connect-as-a-Service" solution to the other attendees of the Forum.
