Comments from Judging Panel

The trading platform provides an innovative solution for the small and medium size agents and brokers to take advantage of the “Shanghai-Hong Kong Stock Connect” business opportunities without the need for major capital investments. In the form of a subscription-based service, the smaller agents and brokers can participate on equal footing like the larger and more resourceful brokers. They can take full advantage of “Shanghai-Hong Kong Stock Connect” opportunity without unnecessary time delay.

評審委員會評語

此交易平台為中小型顧問公司及經紀商提供嶄新的解決方案，他們無需投放大額資金，或受時間延誤，亦能獲得「滬港通」帶來商機的優勢，可透過訂購形式的服務，便如大型經紀商一樣，參與均等總額。
